

Exercício Objetos 3

1. Crie um programa que possibilite o cadastro e listagem de Pessoas levando em conta suas categorias, Pessoa Física e Jurídica.

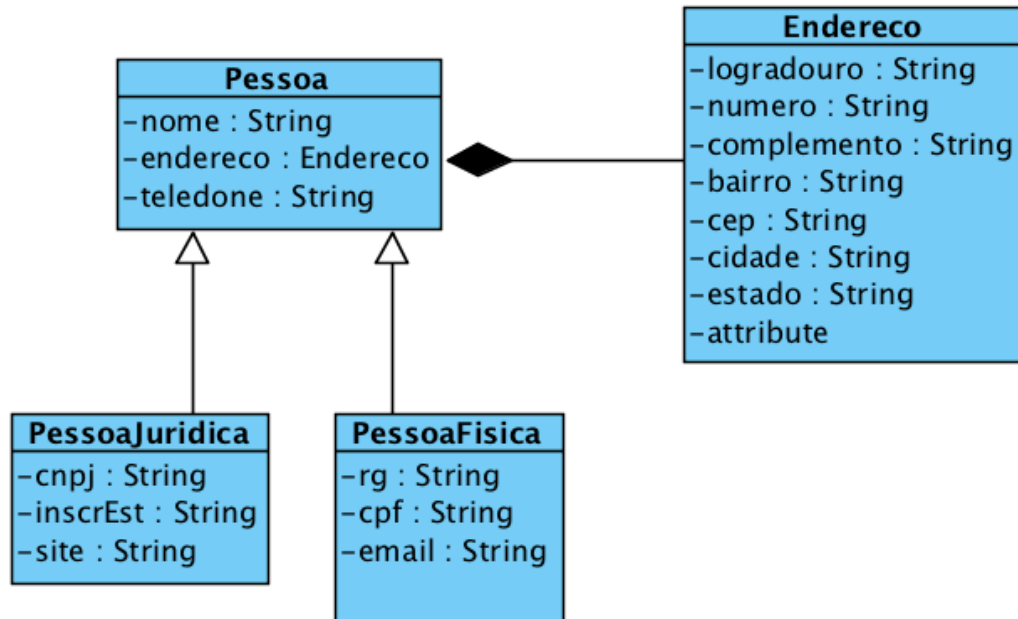

Diagrama de Classes

The screenshot shows the main application window, titled "Tela Principal". It features a light gray background and standard macOS window controls (red, yellow, green buttons) in the top-left corner. The form is organized as follows:

- Nome:** A text input field.
- Telefone:** A text input field.
- Endereço:** A button labeled "Endereço" located to the right of the "Telefone" field.
- Category Selection:** Two buttons, "Física" (highlighted in blue) and "Jurídica", are positioned below the "Endereço" button.
- Physical Person Fields:** A container box below the category buttons contains three text input fields: "RG", "CPF", and "E-Mail".
- Actions:** Three buttons are located at the bottom of the window: "Salvar", "Listar", and "Sair".

Tela Principal

Exercício Objetos 3
